May 2019

I'd like to take a moment to thank all of you parents for being so patient during these past few months! I'm so happy and excited to be at Kinder Village and you've all been very welcoming.

Since I've started in February we've acquired two new teachers. Ms. Bridget is new to the Preschool room and Ms. Emily to the Early Preschool Room. They've diligently been working on building relationships with your child(ren) and establishing procedures and curriculum for their classrooms.

We increased some of our Intergenerational activities with our Grandfriends last month. The preschoolers started "buddy reading" with our friends in Iris Park Commons and the Toddlers have been attending more activities as well!

KINDER VILLAGE
WILL BE CLOSED
MONDAY, MAY 27th
IN OBSERVANCE OF
MEMORIAL DAY.

WELCOME!

In April we welcomed Leo and Mariah to our Preschool Classroom!

The first week of May we welcomed Tallulah to the Early Preschool Classroom!

MOVING ON UP!

In April Vivienne moved up to the preschool classroom.

Last week Manny moved up to the Early Preschool Classroom and his little sister, Gabriella moved up to Infant B.

Reminders to Parents:

- * If you have not turned in any missing paperwork to Kristen in the office, please do so as soon as possible. This includes the new Emergency Contact Form.
- *Please take your child's snow boots home.
- *Please bring in sunscreen for your child for your child labeled with their first and last names. (no aerosols please)
- *Due to the cubbies being full upstairs it may be beneficial for parents to label clothes, especially outer wear, sweatshirts, and pants until we get the cubby problem resolved.
- *Parents of Early Preschool- there are hanging folders next to the door for you to take your child's art projects home.
