June 2019

In June we celebrate our Dads! Father's Day is Sunday, June 16th and our students would like to invite our Dad's to "Donuts with Dad" on Wednesday June 12th during morning drop-off. If Dad cannot drop-off that day, we encourage any loved one to stay and take a moment to eat a donut with their child.

As summer approaches the Early Preschool and Preschool teachers look forward to spending some much needed outside time with the kiddos. They plan on having some fun themed weeks with activities that can be done outside!

Our Intergenerational Program is continuing to grow as we add "Dancing with Lala" to our calendar. Lala is an energetic dance enthusiast that is sure to get our kids up and having fun! We are looking to start the 3rd Thursday in June.
