## November 2019

How is it already going to be November? November is a month where we typically express things that we are thankful. We celebrate Veteran's Day as we give thanks to those that have served in the military. We celebrate Thanksgiving as we gather with friends and family and express our gratitude for one another. This month I'd like to encourage you to take some time and talk with your child(ren) about what it means to be thankful. In the preschool classrooms we will be doing a few projects to get the kiddos thinking about things that they are thankful for. Next week a large "feather" will be sent home with your child. As a family, I'd like you to write one or several things that you are thankful for on the feather. Then you can color, paint, decorate it however you want and return it to Kinder Village. We will be assembling two large turkeys (one upstairs, one downstairs) to show off the things our Kinder Village families are thankful for. As the director of Kinder Village, I'm most definitely thankful to be a part of the Kinder Village family!
