October 2019

What a warm and wet fall we are having! The preschool kids sure have loved playing in the mud outside. In September we have spent a lot of time in the preschool classrooms talking about being a "Bucket Filler." We think the students are understanding the concept and we will continue to use that language throughout the year. Now we are working on "first time listening" as we work towards the kids responding the first time a teacher asks them to do something.

Down in the Infant/Toddler area things are looking a bit "spooky" as the teachers decorated for Halloween. Ms. Kayla had the following themes in her toddler room:

- Back to School
- Johnny Apple Seed (his birthday month)
- Hello Fall
- Fun with Leaves

Halloween Party

Thursday, October 31st

INTERGENERATIONAL ACTIVITIES

- We had a fun field trip to Pine Tree Apple orchard on October 2nd! It was a little wet and chilly, but despite the weather we had a great time. We went on a long wagon ride where the kids were able to pick and eat an apple. Then we went to the pumpkin patch and the kids got to pick out their own pumpkin to take home.
- The Early Preschoolers are having a special "Baking with Grandfriends" on October 16th.
- The Preschoolers are having a special "Science with Grandfriends" activity on October 30th.
