January 2020

HAPPY NEW YEAR!! I hope you had a wonderful holiday season and a great new year!

We took some time over the New Year holiday to do some deep cleaning of our toys to hopefully eliminate the germs floating around.

Kinder Village is pleased to announce that we have started the process to become a Parent Aware rated center. Parent Aware is a quality rating system that helps centers provide superior care. Throughout this process our teachers and staff will receive coaching and training as we build a stronger program. Our main philosophy is to still maintain relationships with our Grandfriends while building Kindergarten readiness skills along the way.

- ❖ December was quite a fun month filled with extra holiday activities. The kids had a pajama day and the preschoolers watched the original Grinch cartoon with our Grandfriends! They also decorated gingerbread men and made snow globes!
